Library Card Month

In October, Marigold libraries are encouraged to participate in Celebrate Your Library Month in combination with Library Card Sign-Up Month. People love their library and they love having a chance to express that appreciation!

Promoting Celebrate Your Library Month and Library Card Sign-Up Month is a way to increase awareness and build connections to your library and its role in the community. If your plan of service has a goal to increase the number of cardholders, these initiatives would be fun ways to achieve your goal!
